

Guideline for Online Modules for Residents

Source: Department of Family and Community Medicine

Family Medicine Residents are responsible to complete their online modules by each of the DFCM deadline dates below:

DFCM Deadline Dates (PGY-1)	Online Modules
August 31 st	PGCorEd: Teaching in Residency Module
October 31 st	ViCCTR: Virtual Care as a Core Component ViCCTR: Virtual Care in the time of Physical Distancing (Supplemental/Optional) ViCCTR: Medico-legal Issues in Virtual Care
November 30 th	PGCorEd: Professionalism Module
January 31 st	ViCCTR: Virtual Care for Vulnerable Populations ViCCTR: Patient-Centred Virtual Care
February 28 th	PGCorEd: Communicating with and for Patients Module
April 30 th	PGCorEd: Patient Safety Module
July 1 st – June 30 th	San'yas Training: Completion by the end of PGY-1 year

DFCM Deadline Dates (PGY-2)	PGCorEd Modules
July 31 st	PGCorEd: Collaborator Module
August 31 st	PGCorEd: End of Life Care Module
October 31 st	PGCorEd: Resident as Leader Module
January 31 st	PGCorEd: Health Advocacy and Health Systems Module

Requirements

Completion of these modules according to the DFCM deadlines is a mandatory requirement of the program. Failure to complete the module by the deadline will result in a Field Note noting a professionalism lapse, as per the approved DFCM policy. Repeated failures by a resident to complete the modules on time can result in a “2” in professionalism on a Family Medicine ITER.

Accessing PGCorEd

You can access the modules with your UTORid and Password here: [PGCorEd Modules](#)

Accessing ViCCTR

You can access the Virtual Care Educational Modules here: [ViCCTR Modules](#)

Accessing San'yas Indigenous Cultural Safety Training

For further information on san'yas training, please speak with your Site Administrator.
