

Mat Leave LOCUM at Magenta Health - Riverside

Magenta Health (<https://www.magentahealth.ca/>) is looking for a locum family physician to cover a maternity leave starting May 1 2024 for 9-12 months. The exact start and end dates can be tailored to the locum's needs.

The locum will take place at Magenta Health's Riverside clinic, located at [625 Queen Street East](https://www.google.ca/maps/place/Magenta+Health/@43.6580332,-79.3551517,17z/data=!3m1!4m2!3m1!1s0x89d4cb6b79fbb337:0x89572f1349b6hl=en) (<https://www.google.ca/maps/place/Magenta+Health/@43.6580332,-79.3551517,17z/data=!3m1!4m2!3m1!1s0x89d4cb6b79fbb337:0x89572f1349b6hl=en>), Toronto (<https://maps.google.com/?q=625+Queen+Street+East+,+Toronto&entry=gmail&source=g>). The clinic is staffed by 11 other friendly family physicians and great supportive staff. There is excellent nursing and medical assistant support. We will need approximately 4-5 half days of coverage for a FHO practice of 800 well-managed patients. This includes patient care (in person and virtual) and ample time for paperwork. The patients are mostly young, healthy professionals, and all very friendly. We have a highly customized electronic medical record system and most patient-physician communication is done through email.

Magenta Health is a family medicine clinic built by family physicians like yourself. We've created an environment that emphasizes physician happiness, well-being, and work-life balance. To us, that means supporting physicians with people, technology, and spaces designed to let physicians focus on being an effective clinician, first and foremost.

Compensation will be at a competitive monthly rate, and you will be compensated for time spent doing paperwork (including corresponding with patients), and you will be able to access the EMR from home if desired.

Magenta Health has additional clinic locations in the Midtown and Beaches areas. If you enjoy your locum experience, there may be opportunities for you to join our team on an ongoing basis at one of our three locations.

More information about the clinic can be found here: <https://www.magentahealth.ca/physician-recruitment> (<https://www.magentahealth.ca/physician-recruitment>).

Please contact us at [caileigh.pilmer@magentahealth.ca](mailto:caileigh.pilmer@magentahealth.ca) (<mailto:caileigh.pilmer@magentahealth.ca>) and send us your resume if you are interested in the locum and want to learn more. We look forward to hearing from you!
