

## Guideline for Online Modules for Residents

Source: Department of Family and Community Medicine

Family Medicine Residents are responsible to complete their online modules by each of the DFCM deadline dates below:

DFCM Deadline Dates (PGY-1)	Online Modules
August 31 <sup>st</sup>	PGCorEd Teaching in Residency Module
October 31 <sup>st</sup>	VICCTR #1 & #2 Modules
November 30 <sup>th</sup>	PGCorEd Professionalism Module
January 31 <sup>st</sup>	VICCTR #3 & #4 Modules
February 28 <sup>th</sup>	PGCorEd Communicating with and for Patients Module
April 30 <sup>th</sup>	PGCorEd Patient Safety Module
July 1 <sup>st</sup> – June 30 <sup>th</sup>	San'yas Training - Completion by the end of PGY-1 year

DFCM Deadline Dates (PGY-2)	PGCorEd Modules
July 31 <sup>st</sup>	PGCorEd Collaborator Module
August 31 <sup>st</sup>	PGCorEd End of Life Care Module
October 31 <sup>st</sup>	PGCorEd Resident as Leader Module
January 31 <sup>st</sup>	PGCorEd Health Advocacy and Health Systems Module

### Requirements

Completion of these modules according to the DFCM deadlines is a mandatory requirement of the program. Failure to complete the module by the deadline will result in a Field Note noting a professionalism lapse, as per the approved DFCM policy. Repeated failures by a resident to complete the modules on time can result in a "2" in professionalism on a Family Medicine ITER.

### Accessing PGCorEd

You can access the modules with your UTORid and Password here: [PGCorED Modules](#)

### Accessing VICCTR

You can access the Virtual Care Educational Modules here: [VICCTR Modules](#)

### Accessing San'yas Indigenous Cultural Safety Training

For further information on san'yas training, please speak with your Site Administrator.
