

I am seeking a locum for three weeks for my family practice in Midtown Toronto from July 2nd 2024 until Friday July 19th, 2024. I have had many locums in the past who have enjoyed the experience and I can direct you to them to hear about their experiences. I have a well run office with Accuro EMR (I can train you) and have great support staff. Work 4 full days per week and pay only \$1000 per week in overhead. All the OHIP FFS and CASH is yours!! You can't beat this opportunity! Great for new Family Practice Grads. Thanks for considering!

Location: 243 Eglinton Ave West, Toronto ON, M4R 1B1

FFS - pay est. \$160/hr
