

Guideline for PGCorEd Modules for Residents

Source: Department of Family and Community Medicine

PGCorEd

The University of Toronto Post MD Education, Postgraduate Medical Education PGCorEd is a series of self-directed multimedia web-based learning modules which cover the foundational competencies for University of Toronto postgraduate trainees.

Family Medicine Residents are responsible to complete their PGCorEd modules by each of the DFCM deadline dates below:

DFCM Deadline Dates	PGCorEd Modules
August 31 st	Teaching in Residency
October 31 st	Professionalism
December 31 st	Communicating with and for Patients
February 28 th	Patient Safety
April 30 th	Collaborator
June 30 th	End of Life Care
August 31 st	Resident as Leader
October 31 st	Health Advocacy and Health Systems

Requirements

Completion of these modules according to the DFCM deadlines is a mandatory requirement of the program. Failure to complete the module by the deadline will result in a Field Note noting a professionalism lapse, as per the approved DFCM policy. Repeated failures by a resident to complete the modules on time can result in a "2" in professionalism on a Family Medicine ITER.

Accessing PGCorEd

You can access the modules with your UTORid and Password here: [PGCorED Modules](#)
