

MOUNT SINAI ACADEMIC FAMILY HEALTH TEAM

Comprehensive Family Medicine with Obstetrical Care

Clinical Associate

Mount Sinai Academic Family Health Team is inviting applications from qualified family physicians for a one-year Family Medicine + Low Risk Obstetrical Care staff physician position.

Start Date: July 1, 2026

End Date: June 30, 2027, with possibility for extension

The successful candidate has a strong interest in comprehensive family medicine, is comfortable working in a multidisciplinary team, and must hold an MD degree and certification with both the College of Physicians and Surgeons of Ontario and the College of Family Physicians of Canada with an independent license to practice in Ontario. Training in low-risk obstetrics is also required. We would consider candidates completing their PGY3 low risk obstetrics training in the 2026-2027 academic year.

Clinical responsibilities:

- Comprehensive family medicine 4 half days per week
- Low risk OB/antenatal/intrapartum care at Mount Sinai Hospital.

On Call:

- Obstetrics- in Soft or Hard Call System approximately eight 24-hour call shifts each 6 month block plus 1-2 holiday call days per year
- Family Medicine Afterhours Clinics and Call- approximately 2 evenings per month & 2 weekends every 3 months

Remuneration:

- Approximately \$450/clinical half day plus additional stipend for administrative work, total works out to approximately \$600/half day
- Obstetrical billing is fee for service

The Mount Sinai Academic Family Health Team, within the Department of Family and Community Medicine, is strongly committed to diversity and intentional inclusion within its community and particularly encourages applications from racialized persons/persons of colour, women, Indigenous/Aboriginal People of North America, persons with disabilities, 2SLGBTQIA+ persons and others who may contribute to the further diversification of ideas.

Mount Sinai Hospital is a fully accredited community teaching hospital providing care to a culturally and economically diverse population. The Mount Sinai Family Health Team is a

dynamic group strongly committed to the care of our patients, with expertise in low-risk obstetrics, mental health, and care of the elderly. We have a large team made up of our MDs, NP, RNs, social workers, dieticians and pharmacist and have access to testing and consultants within our hospital. We use PS Suite (formerly Practice Solutions) for our electronic medical records.

Qualified candidates are invited to forward a letter of interest including curriculum vitae, via e-mail, to:

Dr. Erin Bearss, Family Physician-in-Chief, Mount Sinai Hospital
