

2022-2023 Curriculum plan ES Low Risk OB		
1. Medical Expert	How taught	How evaluated or assessed
<p>1.1 Provides appropriate antenatal &amp; postpartum care, including utilizing appropriate prenatal and genetic testing, using only medications approved for use in pregnancy, diagnose and manage STIs, and manage post-partum issues (i.e., bleeding, pain, breastfeeding, depression, infection, birth control).</p>	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Post-partum ward and rounds</li> <li>• Rounds, site dependent</li> <li>• Practice management and antenatal seminar</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/self-reflection</li> <li>• Final Evaluation</li> </ul>
<p>1.2 Completes accurate and well-organized history and physical</p>	<ul style="list-style-type: none"> <li>• ER consults</li> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Labour assessments</li> <li>• Post-partum ward and rounds</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards (site dependent, Field notes)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/self-reflection</li> <li>• Final Evaluation</li> </ul>
<p>1.3 Demonstrates the clinical knowledge and ability with regards to provision of intrapartum care</p>	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Labour and delivery assessment and management</li> <li>• Rounds, site dependent</li> <li>• Obstetrical course i.e., ALARM – if available)</li> <li>• moreOB – site dependent</li> <li>• Mock obstetrical ER drills - if available, site dependent</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/self-reflection</li> </ul>

		<ul style="list-style-type: none"> <li>• Final Evaluation</li> </ul>
1.4 Investigates and manages common complications of pregnancy	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Labour and delivery assessments</li> <li>• Post-partum ward and rounds</li> <li>• Antenatal seminar</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/self-reflection</li> <li>• Final Evaluation</li> </ul>
1.5 Recognizes and appropriately manages patients with obstetrical emergencies (i.e., fetal distress, shoulder dystocia, postpartum hemorrhage, malpresentation, uterine rupture, placental abruption, cord prolapse, eclampsia)	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Labour and delivery assessments</li> <li>• Obstetrical course i.e.. ALARM – if available)</li> <li>• moreOB – site dependent</li> <li>• Mock obstetrical ER drills - if available, site dependent</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/self-reflection</li> <li>• Final Evaluation</li> </ul>
1.6 Possess the clinical knowledge and ability to provide newborn care, including neonatal resuscitation and newborn assessment *(site dependent)	<ul style="list-style-type: none"> <li>• Labour and delivery assessments</li> <li>• NRP course (if available)</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with pediatrics on-call physician/ Family physician each shift</li> </ul>
1.7 Demonstrates proficiency in the assessment of patients in labour, including cervical assessment, determining rupture of membranes, interpretation of fetal monitoring	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Labour and delivery assessments</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> </ul>

		<ul style="list-style-type: none"> <li>• Midterm evaluation/progress review/ self-reflection</li> <li>• Final Evaluation</li> </ul>
1.8 Overall is proficient in technical and procedural skills relevant to low-risk obstetrics	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Labour and delivery assessments Post-partum ward and rounds</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/self-reflection</li> <li>• Final Evaluation</li> </ul>
<b>2. Communicator</b>	<b>How taught</b>	<b>How evaluated or assessed</b>
2.1 Establishes rapport and therapeutic relationships with pregnant and labouring patients and their families	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Labour and delivery assessments</li> <li>• Post-partum ward and rounds</li> <li>• Antenatal seminar</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/self-reflection</li> <li>• Final Evaluation</li> </ul>
2.2 Demonstrates an awareness of the unique issues surrounding pregnant patients (including psychosocial and cultural issues)		
2.3 Creates complete, accurate and timely records	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Labour and delivery assessments</li> <li>• Post-partum ward and rounds</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> </ul>

		<ul style="list-style-type: none"> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/self-reflection</li> <li>• Final Evaluation</li> </ul>
<b>3. Collaborator</b>	<b>How taught</b>	<b>How evaluated or assessed</b>
3.1 Functions effectively within the multi-disciplinary team of the labour and delivery ward, recognizing the roles and responsibilities of the different team members to ensure the provision of high-quality care for the patient	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Labour and delivery assessments</li> <li>• Post-partum ward and rounds</li> <li>• Interprofessional teaching with nurses and physicians</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review</li> <li>• Final Evaluation</li> </ul>
3.2 Demonstrates safe handover of care, using both verbal and written communication, during a patient transition to another professional or stage of care	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Labour and delivery assessments</li> <li>• Post-partum ward and rounds</li> <li>• Interprofessional teaching with nurses and physicians</li> <li>• Antenatal seminar</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/ self-reflection</li> <li>• Final Evaluation</li> </ul>
3.3 Demonstrates awareness of professional limits to scope of practice and consults obstetricians when needed	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Labour and delivery assessments</li> <li>• Post-partum ward and rounds</li> <li>• Interprofessional teaching with nurses and physicians</li> <li>• Antenatal seminar</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/ self-reflection</li> <li>• Final Evaluation</li> </ul>
<b>4. Leader</b>	<b>How taught</b>	<b>How evaluated or assessed</b>
4.1 Demonstrates an understanding of the resources available to pregnant patients and their families and uses these resources appropriately	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Labour and delivery assessments</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician</li> </ul>

	<ul style="list-style-type: none"> <li>• Post-partum ward and rounds</li> <li>• Interprofessional teaching with nurses and physicians</li> <li>• Antenatal seminar</li> </ul>	<p>obstetrician each shift</p> <ul style="list-style-type: none"> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/ self-reflection</li> <li>• Final Evaluation</li> </ul>
<b>5. Health Advocate</b>	<b>How taught</b>	<b>How evaluated or assessed</b>
<p>5.1 Identifies opportunities to advocate for the health care needs for the antepartum/intrapartum/postpartum patient and her family. Advises patients about local resources available to them and their families, including responding to the needs of abused women and marginalized populations</p>	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Labour and delivery assessments</li> <li>• Post-partum ward and rounds</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call physician/ Family physician obstetrician each shift</li> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/ self-reflection</li> <li>• Final Evaluation</li> </ul>
<b>6. Scholar</b>	<b>How taught</b>	<b>How evaluated or assessed</b>
<p>6.1 Effectively uses evidence in day-to-day clinical work. Reads around cases and is knowledgeable about own patients.</p>	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> <li>• Labour and delivery assessments</li> <li>• Post-partum ward and rounds</li> <li>• Hospital Rounds</li> <li>• Obstetrical courses if available ie. ALARM</li> <li>• moreOB site dependent</li> <li>• Hospital or University access to medical literature</li> <li>• Antenatal seminar</li> </ul>	<ul style="list-style-type: none"> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/ self-reflection</li> <li>• Final Evaluation</li> </ul>
<b>7. Professional</b>	<b>How taught</b>	<b>How evaluated or assessed</b>
<p>7.1 Demonstrates respect and compassion to all patients and their families. Demonstrates</p>	<ul style="list-style-type: none"> <li>• Triage Assessments</li> <li>• Antenatal clinics (site dependent)</li> </ul>	<ul style="list-style-type: none"> <li>• Review/modeled with OB on- call</li> </ul>

integrity and honesty in practice.		
7.2 Recognizes and appropriately responds to ethical issues such as child protection issues, medical abortion	<ul style="list-style-type: none"> <li>• Labour and delivery assessments</li> <li>• Post-partum ward and rounds</li> <li>• Hospital Rounds</li> </ul>	<p>physician/ Family physician obstetrician each shift</p> <ul style="list-style-type: none"> <li>• Daily evaluation cards, Field notes (site dependent)</li> <li>• ITERs/POWER</li> <li>• Midterm evaluation/progress review/self - reflection</li> <li>• Final Evaluation</li> </ul>
