- Wychwood
- Annex
- Casa Loma
- Oakwood Village
- Caledonia-Fairbank
- Keelsdale-Eglinton West
- Centre Island
- Parkdale Village, Brockton, Exhibition Place

Our Mission & Vision

Mission

Aim to become the representative voice of family practice in our region to promote collaborative and coordinated care between community and hospital sectors for our diverse patient populations.

Vision

We believe that excellent health care needs coordinated local family practice leadership and engagement. We strive to create a network that is:

- **Collaborative:** We act authentically with our partners and stakeholders in the best interest of patients
- **Inclusive:** We treat everyone with dignity and value diverse perspectives
- **Equitable:** We advocate for equitable resource allocation for all our patients and partners
- **Accountable:** We act with integrity and responsibility with the resources available
- **Innovative:** We seek new, creative and efficient ways to improve health care delivery in the region
- **Integrated:** We work to enhance the coordination of care across the spectrum of community, hospital and long-term care
- **Supportive:** We support all Family Practitioners in the delivery of high-quality care

Meet The Board

The MWT-FPN has a Board of Directors that inclusively represents all practice models; Family Health Teams (FHTs), Family Health Organizations (FHOs) Community Health Centres (CHCs), small practices, Family Health Groups (FHGs), Comprehensive Care Models (CCMs), Fee for service solo physicians, and hospitals.

Why Join?

Funding – opportunities to receive funding to support your practice and ensure that money flows to support your neighbourhood needs.

Have a Voice – We are stronger in numbers! Be part of a collaborative effort to strengthen family medicine in Toronto.

Access More Support & Resources – Tools and programs available to you designed to help you provide the best care possible (e.g., digital health tools, mental health services, and data to better understand your patients' needs).

Improve Care Coordination – Stronger connections with hospitals, specialists, and community services to make referrals and follow-ups easier.

Connect & Learn – Opportunities to meet other providers, share ideas, and collaborate on solutions.

Membership is voluntary and not legally binding. To join, send an email to Melanie Yang at myang@kensingtonhealth.org
