

Compensation Process

Meet with Patient Engagement Specialist

Discuss recruitment methods to identify a suitable patient partner for the project/activity.

Plan and Budget

Outline patient partner's role and time commitment. Identify the grant/DFCM account that will be used for funding.

Initiate Work

Begin working with your patient partner.

Complete Project

Get feedback from your patient partner and share next steps with Patient Engagement Specialist.

Track Contribution

Track patient partner participation and submit the involvement form to the Patient Engagement Specialist twice per year.

Visit the Patient Engagement Toolbox

Leverage the available resources while preparing your project/activity.

DFCM Patient Partner Rates

- Tier 1 One-time involvement
- Tier 2 Occasional participation (up to 3 activities/year)
- Tier 3 Regular participation (4-10 activities/year)
- Tier 4 Leadership or multi-project involvement
