MOUNT SINAI ACADEMIC FAMILY HEALTH TEAM

Mount Sinai Family Health Team academic teaching unit is inviting applications from qualified family physicians for a locum academic staff physician position.

We have one part time locum opportunity available.

Start Date: July 1, 2026

End Date: September 7, 2026

The successful candidate must hold an MD degree and certification in Family Medicine from the College of Family Physicians of Canada with an independent license to practice in Ontario.

Clinical responsibilities include comprehensive family medicine, covering for physicians on vacation over the summer months. The requirement is 4 half days of clinic plus coverage of EMR inboxes for absent physicians (approx. 2-3 inboxes/week).

The current remuneration structure is \$450/clinic plus an addition \$150/clinic for the inbox coverage. This may change slightly with the implementation of FHO+.

The Mount Sinai Academic Family Health Team, within the Department of Family and Community Medicine, is strongly committed to diversity and intentional inclusion within its community and particularly encourages applications from racialized persons/persons of colour, women, Indigenous/Aboriginal People of North America, persons with disabilities, 2SLGBTQIA+ persons and others who may contribute to the further diversification of ideas.

Mount Sinai Hospital is a fully accredited academic teaching hospital providing care to a culturally and economically diverse population. The Mount Sinai Family Health Team is a dynamic and diverse group strongly committed to the care of our patients, with expertise in low-risk obstetrics, mental health, and care of the elderly. We have a large team made up of our MDs, NP, RNs, social worker, dietician, etc. and have access to testing and consultants within our hospital. We use PS Suite for our electronic medical records.

Qualified candidates are invited to forward a letter of interest including curriculum vitae, via e-mail, to:
