

Pain in Pregnancy

ECHO is an interactive online medical education program, connecting health-care providers with an interprofessional specialist team to advance learning and enhance clinical skills.

What you need to know

- Cost:** Free
- Setting:** Virtual – participate from anywhere through Zoom
- When:** On Thursdays from 12 to 1 p.m. EST between September 21 to November 9, 2023
- Format:** Sessions involve short didactic teaching and case discussions with an interprofessional specialist team to help you problem solve tough cases. There will be an opportunity to present patient cases for support and expert opinion.

Come join the ECHO community to learn about pain management during pregnancy together!
